

What is a School-Parent Compact?

Our annual school-parent compact offers ways that we can work together to help our students succeed. This compact provides strategies to help connect learning at school and at home.

Effective compacts:

- Link to academic achievement goals
- Focus on student learning
- Share strategies that staff, parents, and students can use
- Explain how parents and teachers can communicate about student progress
- Describe opportunities for parents to observe, volunteer, and participate in the classroom

Jointly Developed

The parents, students, and staff worked together and shared ideas to develop the school-parent compact. Meetings are held each year to review and revise the compact on the school's academic achievement goals and students' needs.

Parents are welcome to provide feedback on the compact at anytime during the school year. All feedback will be collected and reviewed during annual revision meeting with parents.

Please call 770-342-0089 or visit our website, www.ivypreacademy.org, for more information on the school-parent compact.

Building Partnerships

Ivy Preparatory Academy at Gwinnett offers ongoing events and programs to provide parents and students with access to our staff---

- Curriculum Nights
- Parents-Teacher Conferences
- Math Night and Science Night
- Volunteer Opportunities
- Online/Virtual Activities
- To make an appointment with your scholar's teacher, visit the school faculty webpage or call (770) 342-0089

Communication About Student Learning

Ivy Preparatory Academy at Gwinnett offers ongoing communication to provide parents and students with access to our staff---

- Parent Newsletters
- Parents-Teacher Conferences
- Teacher/School Websites
- Email
- To make an appointment with your scholar's teacher, visit the school faculty webpage or call (770) 342-0089

Parental Involvement

- There are many opportunities at our school for parents to volunteer and play a role in their child's education. Please consider joining faculty, staff and your student through some of the following events and programs-
- Curriculum Nights
- Parents-Teacher Conferences
- Parent Engagement Events and Workshops
- To participate or learn more about these opportunities or other ways to observe and volunteer, please contact Ms. Chiara Richardson at (770)342-0089 or email at crichardson@ivypreacademy.org

6th Grade Focus

The Number System
Statistics and Probability

7th Grade Focus

Statistics and Probability
Geometry

8th Grade Focus

Force and Motion
Energy and Transformation

As a school, we will...

- Send weekly email newsletter to parents outlining current and upcoming learning objectives including tips and strategies access to enable parents to support student learning at home.
- Hold parent teacher conferences to provide insight on the scholar's individual achievement and practices to use at home in preparing my scholar for success.
- Offer parent engagement events and workshops that will provide Science and Math strategies parents can use at home to help their scholar.

As parents, we will...

- Read weekly email newsletter outlining current and upcoming learning objectives including tips and strategies access to enable parents to support student learning at home
- Attend parent teacher conferences to gain insight on my scholar's academic achievement and practices to use at home in preparing my scholar for success.
- Attend parent engagement events and workshops to learn about science and math strategies I can use at home to help my child.

As a scholar, I will...

- Use strategies and tips from weekly newsletter at home with parents.
- Be an active participant in learning, listen and participate in class, exert her best effort with classwork/ homework, and use the resources provided by the school in order to strengthen science and math skills.
- Practice the reading and math strategies my parents learn during parent engagement events and workshops.
